

SCS Parents Rules

All parents should follow government and school law and rules.

All parents have the obligation to help and support all school management, operation and regulation. Each family should serve the school assignment 2 or 3 times each semester.

It is the parents' responsibility to educate their children and themselves to:

1. Respect the teachers;
2. Take care of all school properties. Clean up after class. Help to put table and chair in original order before leaving;
3. Be friendly to all classmates and school staffs;
4. Not run inside the building. Don't leave student unattended. Don't allow student go to place other than classroom and bathroom.
5. No eating and drinking in the building.
6. All cars must be parked in the specified parking lot. SCS has no responsibility for any damage or fine.
7. Activities other than school assigned inside and around the building have to get the pre-approval from SCS.

SCS Rules

SCS should encourage teacher to improve quality of teaching. Only teachers have compensation according to the income of school and the number of students in the class.

Teacher needs to sign the contract with school for at least one semester. Help school to find replacement if leaving.

Registration fee is not refundable. However, when a student withdraw from class. his/her tuition should be deducted from how many class has he/she attended. Full refund only can be honor before the first class.
